Description

Note pads are the best and most effective way to save important information on spot. We offer high-quality note pads on wooden mini pallets and wide printing possibilities.

Note pads on mini pallets can be in cube or rectangular shape. Logos or slogans can be printed on these blocks and also the desired images - in this way it is possible to display cargo or other.

Printing can be done on 4 sides, on top or inside on the notes in 1 colour or full colour print.

To prevent the notes from falling off the mini palette, one side of the block is glued.
