

CHAMPAGNE ACCESSORIES

a brand new way to personalise any Champagne, Sekt, Cava, Prosecco or other bottle with bubbles

CHAMPAGNE STOPPER

Press the stopper firmly on top of a champagne bottle. Hold the lower part and turn the upper part clockwise to seal. An airtight seal will be created. This way the bubbles can be enjoyed over a longer period of time.

- **unique “Twist and Lock” system**
- **housing in chrome or black**
- **metal ring available in 6 colors**
- **no minimum order quantity**
